Title : Hey, how are you doing?

Hey, Joon,

How's it going? I couldn't contact you because I was too busy getting in touch with you.

Ghibli's movie came out recently. Have you seen it yet? It looked pretty interesting, but if you saw it, tell me what it was like :)

By the way, I think we made an appointment on April 30th at 3pm. But..
Something urgent came up at that time, so I don't think I'll be able to meet you at that time.
Can I change the time to 7 p.m., or can I see it at 3 p.m. on May 2nd or 3 p.m.?

Please let me know if there is a good time for the above schedule. I'm sorry for changing my appointment.. It's a bit urgent, so I can't meet that time. I'm sorry. I'll treat you to coffee instead, so please let me go for once.

I'll be waiting for your reply. See you soon!

Title : I'd like to inquire about the grades related to the midterm examination. - Lee Chang-Yeob (20117669)
/ Department of Computer Software

Hello, Professor John.

Thank you for always giving me good classes.

My name is Lee Chang-yeop, and my department of computer software and My Student ID is 2017669.

I am currently taking the R programming class (24) that the professor is teaching.

After checking the scores calculated after this midterm,
I am contacting you to find out why my credit got B credits, not A credits.

I think I've been working hard to solve most of the problems and keep up with the contents of the class.

Professor, I think I did my best in this midterm and solved most of the problems. Therefore, I don't understand that I got "B" instead of "A".

If possible, I would like you to reconsider my grade or I'd like to hear about why I got a B grade.

I look forward to hearing from you about that matter. Thank you.

The weather has gotten cold, please take care of yourself and Wish you all the best.

Sincerely,

Lee Chang Yeob
